

1000 Watts / Light Duty

Dependable, easy-to-use and built with a rugged stainless steel interior and door and Sharp's commitment to quality. The R-21JCA is a smart choice for snack bars, lounges, offices, vending locations and convenience stores.

be informed

- **Stainless Steel Interior and Door:** Only Sharp designs every oven in their line with a high-grade stainless steel interior. It's easy to clean and won't pit, chip, scratch or corrode, even with a tough schedule of everyday use.
- **Cool Gray Cabinet and Stainless Door:** A streamlined, style-setting look that suits any situation—from snack bars to offices.
- **Dependable 6-Minute Light Up Dial Timer:** Clearly marked in 10, 15 and 30 second increments for easy-to-set, easy-to-read convenience. When the door is opened during cooking, the remaining time is canceled eliminating the oven being on without a food load. Increments are lettered for use with coded foods.
- **Heating Time Guide:** Charts proper times needed to heat a variety of popular foods. It's a handy "on-the-spot" reference for timesaving convenience.
- **Sturdy Grab Handle:** Offers the strength that stands up to the daily demands of the light-duty user. Designed for easy access.
- **End of Heating Signal:** Lets user know when food is ready.
- **Interior Oven Light:** View food as it cooks to monitor progress. See-through door and oven light promote maximum visibility.
- **Ease of Cleaning:** Rubber-sealed ceramic shelf makes it easy to keep oven in "ready-for-inspection" order!
- **1,000 Watts of Power:** Built for fast, efficient heating.

Built to meet rugged commercial standards.
Complies with DHHS & FCC.
